(*e*) what are the reasons that prompted the Government to order shifting of the School;

(*f*) are the Government aware that the strength of the Eroor Aided Primary School is bound to be affected by this shifting?

Rao Sahib I. N. Menon *(Director of Public Instruction)*:

(*a*) Yes; but not to a distant place.

(*b*) Yes; nearly Rs. 300.

(*c*) Less than a mile.

(*d*) Yes; the complaints were not well-founded. The Aided School, Kodankulangara and K. M. School, Eroor, which are the neighbouring schools which complained are overcrowded, and as such the shifting of the K. M. P. School, Vanmeethi, does not stand in any way to affect these aided schools adversely.

(*e*) The dangerous condition of the Vanmeethi M. S. building which was worsened by the last year's cyclone and the very unsatisfactory strength of the school consequent upon the competition of the well-established aided schools close by.

(*f*) Enquiries led to the conclusion that the strength of the Eroor Aided Primary School was not likely to be affected appreciably by the shifting of the Vanmeethi School.

Mr. V. N. Damodaran Nambiar *(Trippunittura)*: May I know, Sir, for how long was the school in a dangerous condition?

Rao Sahib I. N. Menon *(Director of Public Instruction)*: We received complaints that the P. C. R. was not satisfactory and sufficient but the actual report was received about two months before the transfer was ordered.

Mr. V. N. Damodaran Nambiar *(Trippunittura)*: Is it before or after the cyclone?

Rao Sahib I. N. Menon *(Director of Public Instruction)*: I want notice.

Mr. V. N. Damodaran Nambiar *(Trippunittura)*: In answer to (*c*) it is said, less than a mile. May I know the distance in furlongs.
